

Funded 2+2+2 Institutions

Programs and Participating Institutions

>>Participating Secondary Schools

(High Schools/Career Centers)

Advanced Manufacturing and Materials

-

California University of Pennsylvania (Cal U) (Robotics)

-

Delaware County Community College (Applied Engineering Technology)

-

Lehigh Carbon Community College (Advanced Manufacturing)

-

Lehigh Career and Technical Institute (Nanofabrication Manufacturing Technology)

-

Luzerne County Community College (Nanotechnology)

-

Pennsylvania College of Technology (Electronics)

-

Pennsylvania College of Technology (Plastics and Polymers)

-

Precision Manufacturing Institute

-
Steel Center CTC and New Century Careers (Advanced Manufacturing)

-
Susquehanna Valley Advanced Manufacturing Alliance (Advanced Manufacturing and Mechatronics)

Biotechnology/Life Sciences

-
Capital Area Biotech Partnership

-
Catalyst Connection / Pittsburgh Technology Council

-
Central Montco Technical High School

-
Drexel University

-
Greater Johnstown Career and Technology Center

-
Montgomery County Community College

-
Northampton Community College - Monroe Campus

Information Technology/Optoelectronics

-

Bloomsburg University of Pennsylvania (IT)

-

Butler County Community College (IT)

-

College Misericordia (IT)

-

East Stroudsburg University of Pennsylvania (Computer Security)

-

Indiana University of Pennsylvania (Optoelectronics)

-

Lehigh Carbon Community College (IT)

-

Pennsylvania College of Technology (IT)

-

Philadelphia Information Technology Opportunities Collaborative

Workforce Development Partners:

Ben Franklin Technology Partners

PA Association of Career and Technical Administrators (PACTA)

PA Commission for Community Colleges

PA Department of Education – Bureau of Career and Technical Education

PA State System of Higher Education
